## **American School Counselor Association Announces 2023 RAMP Schools**

ALEXANDRIA, VA. – This year, 101 schools in 21 states received the Recognized ASCA Model Program (RAMP) designation. These schools will be honored during a special ceremony at the American School Counselor Association’s Annual Conference for making an exemplary commitment to their school counseling programs.

The RAMP designation, awarded for aligning with the criteria in the ASCA National Model, recognizes schools committed to delivering a comprehensive, data-informed school counseling program and an exemplary educational environment. Since the program’s inception, nearly 1,300 schools have been designated as RAMP recipients.

This year, Georgia leads the number of RAMP designations, with 25 schools in the state receiving the honor. Eight schools, in Arkansas, California, Florida, Georgia, Illinois, Minnesota and Texas, will receive the RAMP School of Distinction award, honoring schools with exceptionally high-caliber school counseling programs based on rankings determined by a panel of RAMP reviewers. RAMP-designated schools are now in 47 states across the country. The RAMP designation is good for five years; this year’s RAMP recipients must submit a successful application by Oct. 15, 2027, to maintain their RAMP status. This year 15 schools earned Re-RAMP status.

“This year’s RAMP honorees have shown their commitment to students and the school counseling profession,” said Jill Cook, ASCA executive director. “These schools used data to drive their program development and implementation so all students can achieve success. RAMP designation distinguishes these schools and encourages school counselors nationwide to strive for excellence.”

The 2023 RAMP schools are:

### **About the American School Counselor Association**

The American School Counselor Association (ASCA) is a nonprofit, 501(c)(3) professional organization based in Alexandria, Va. ASCA promotes student success by expanding the image and influence of school counseling through leadership, advocacy, collaboration and systemic change. ASCA helps school counselors guide their students toward academic achievement, career planning and social/emotional development to help today's students become tomorrow's productive, contributing members of society. Founded in 1952, ASCA has a network of 51 state and territory associations and a membership of approximately 43,000 school counseling professionals. For additional information on the American School Counselor Association, visit [www.schoolcounselor.org](http://www.schoolcounselor.org).
