

Student-to-School-Counselor Ratio 2024–2025

*Tennessee did not report the number of school counselors so 2023-24 data is included here. American Samoa did not report data. Data Source: U.S. Department of Education, National Center for Education Statistics, Common Core of Data, State Nonfiscal Public Elementary/Secondary Education Survey, 2024-25 v.1a. <http://nces.ed.gov/ccd/elsi/>
